

Midwest Pediatric Cardiology Society Abstract Submission Instructions

Hybrid Meeting hosted by the University of Iowa

September 10, 2021

Abstract Policies & Guidelines

- Please use the abstract template for submission
- All abstracts must be submitted electronically by **July 9 (11:59 CST)** by email to melissa-hatfield@uiowa.edu **AND** brittany-allendorf@uiowa.edu **Please use 'MWPCS abstract submission' as the email subject**
- The word limit is 300 words plus one optional figure or table.
- Abstracts must include all co-authors of the abstract, including the presenting author and their level of training. Select the level of training in which the bulk of the work was performed (for example, a project completed primarily in residency but presented in the first year of fellowship should be submitted at a resident level).
- The abstract should be structured with the following sections: background, methods, results, and conclusions.
- No revisions or changes will be accepted to submitted abstracts after the deadline.
- Notifications of acceptance will be provided via email by August 2. Abstracts will be assigned as oral presentations or poster presentations.
- **NOTE:** Abstracts previously submitted to another regional or national meeting may be submitted.

Hybrid Presentations

Oral abstract presentations can be done via in-person or virtual presentation. Poster presentations will be recorded and posted on the MWPCS web site.
