

Midwest Pediatric Cardiology Society Abstract Submission Instructions

Marriott RiverCenter Cincinnati

September 21-22, 2023

Abstract Policies & Guidelines

- Please use the abstract template and submit as a word document
- All abstracts must be submitted electronically by **August 7, 2023 (11:59 PM EST)** by email to Garick.Hill@cchmc.org. **Please use 'MWPCS abstract submission' as the email subject**
- There is a word limit of 300 words plus one optional figure or table.
- Abstracts must include all co-authors of the abstract, including the presenting author and their level of training. Select the level of training in which the bulk of the work was performed (for example, a project completed primarily in residency but presented in the first year of fellowship should be submitted at a resident level).
- The abstract should be structured with sections titled: background, methods, results, and conclusions.
- No revisions or changes will be accepted to submitted abstracts after submission as review will be on a rolling basis.
- All presentations will be **in person** on Friday September 22, 2023.
- Notifications of acceptance will be provided by email by August 20, 2023.
- **NOTE:** If previously submitted to but not yet presented at a different meeting an abstract may still be submitted.
